

ONUR ATASOY

FULL STACK .NET DEVELOPER

I am a full-stack developer with 3+ years of hands-on experience in C#. I have developed responsive, user-friendly web applications and scalable backend systems. I am skilled in Dockerizing applications and deploying them to production. I also have strong experience with SQL Server, including advanced queries and database optimization. I'm confident in taking ownership of projects from start to finish.

► WORK EXPERIENCE

INTERN Mersin Metropolitan Municipality
2024.07 - 2024.08
